Residential visit to Calshot in June 2024

Dear Year 5 Parents,

Please view the previous communication and watch the presentation about Calshot 2024. In view of the current economic climate, we understand that it is important for families to be able to plan their finances ahead of time. Although we cannot yet inform you of the final cost of the trip, the total for the trip in June 2023 was £432.50 and we would expect the increase for the next academic year to be no more than £30.00.

A letter detailing confirmed costs and dates will be issued once they have been confirmed by Calshot Activities Centre later in the year. However, families are welcome to begin paying (in amounts of your choosing) from now. Many families find splitting the cost into monthly amounts is the easiest.

To help you budget, we will require a deposit, expected to be £110, to be paid by the end of September 2023 with the remaining balance paid in full by March 2024. **We must inform you that once school has paid Calshot the deposit, at the end of September 2023, this amount will be non-refundable.**

Payments can be made online or by cash or cheque to the school office. Please send any payments to the office in an envelope, clearly marked with **CALSHOT 2024** and your child's name and class teacher. Cheques should be made payable to HCC, Uplands Primary School.

It is our hope that all children will access this fantastic opportunity, so please do not let the financial aspect put you off. If the cost is prohibitive there are funds we can apply for on your behalf if you meet the criteria, so please come and speak to Mrs Dunger or Mrs Vincent in complete confidence before the end of September 2023.

For any concerns or queries, please do not hesitate to contact us.

Yours sincerely,

Mr Wells and Mrs Dunger
